SUBJECT: APPLICATION FOR COMMUNITY SERVICE OPPORTUNITY

Dear Beacon of Hope Africa,

I hope this email finds you well. My name is Barasa Conslata Nanzala, and I am a Computer Science student at Strathmore University, and I have just completed my second year. I am writing to express my interest in participating in community service at Beacon of Hope, as my school requires students to complete a community service component as part of our academic curriculum.

As part of my academic requirements, I am required to complete a total of 225 hours of community service, and I believe that participating in Beacon of Hope's programs will not only fulfil this requirement but also provide me with valuable hands-on experience with people and other areas outside my academics.

I am available to volunteer on weekdays, and I am open to assisting with various tasks or projects as needed. I am also willing to undergo any training or orientation required for volunteers.

Thank you for considering my application. I am excited about the opportunity to contribute to the organization and look forward to the possibility of discussing how my skills and passion align with your organization's needs.

Please feel free to contact me at 0759156749 or conslatabarasa123@gmail.com to schedule an interview or to discuss my application further. Thank you for your time and consideration.

Sincerely,

Barasa Conslata Nanzala
